## Observations

There are two distinct genres: Fiction and Non Fiction.

The User Rating graph is skewed to the left, with most of the user ratings ranging between 4.6 - 4.8.

Reviews and Price are skewed to the right. Popular prices ranged from \$4 - \$15.

The most reviewed authors are Suzanne Collins with 278,329 reviews, John Green with 210,419 reviews, E L James with 178011 reviews, Dr. Seuss with 176,545 reviews and Gillian Flynn with 171813 reviews.

The top 5 affordable highest rated author in the Fiction Genre are Alice Schertle, who's the leading author followed by Jeff Kinney, Harper Lee, Rick Riordan and Craig Smith who tie as the 2nd position.

When it comes to the Non Fiction Genre, Majorie Sarfat and Delegates of the Constitutional are the highest rated affordable non fictional authors.

## Top Books with Good Rating and High Reviews

**Fiction** Where the Crawdads Sing (4.8 rating)  
The Nightingale: A Novel (4.8 rating)

**Non Fiction** Becoming (4.8 rating)

2014 is the only year where Fictional Books were awarded more than the Non Fictional Books
